MEMORANDUM FOR: Chief, Geography Division  
Chief, Cartography Division  
Chief, Map Library Division

SUBJECT: Titles and Definitions of GRA Reports  
as Approved on 8 May 1963

1. The proposed revisions in the Geographic Research Area reports and their definitions, which were discussed and approved at the GRA Staff Meeting on 7 May 1963, were accepted without change by the AD/RR on 8 May 1963.

2. Attached are copies of the approved titles and definitions. This reporting system is to be put into effect immediately, and work currently underway should be adjusted accordingly.

3. Instructions for use of the new Map Notice category will be issued separately after the procedures and mechanics for its production have been established.
